About

KOTTAKKAL FAROOK ARTS AND SCIENCE COLLEGE is a self financing college under the university of Calicut, established in the year 2005 to cater to the higher education requirements of the locality. The College functions under the guidance and leadership of farook educational society, a premier educational society which entered into the realm of imparting knowledge and education through the establishment of many institutions since 1980's. The society established pre-primary, primary and higher secondary level institutions besides the establishment of training school and Training College. Now the Farook campus is an integrated centre of learning where these institutions are harmoniously combined. Having expanded in terms of institutions, infrastructure, staff and students, these institutions have emerged as leading centres of learning offering quality and excellence. The mission and vision of farook educational society is intrinsically related to the aims and objectives of the society

PROFILE

Kottakkal Farook Arts and Science College (KFASC), established in **2005** under the visionary leadership of the **Farook Educational Society**, is a self-financing institution affiliated with the **University of Calicut**. Located just a kilometer from Chenguvetty junction, the college provides a peaceful, green, and easily accessible campus environment conducive to academic growth and personal development.

The college began its journey with three undergraduate programs sanctioned by the Government of Kerala and the University of Calicut in 2005. Over the years, it has expanded to offer **12 undergraduate** and **3 postgraduate programmes**, catering to a wide array of academic interests and professional aspirations.

KFASC has been **accredited with an 'A' Grade by NAAC (CGPA 3.04)**, marking a significant milestone in its journey toward academic excellence and institutional integrity. The accreditation reflects the college's systematic efforts in quality enhancement, effective governance, participatory learning, and outcome-based education.

Our team comprises **70 qualified and experienced teaching faculty** and **30 committed non-teaching staff**, all working collaboratively to maintain a vibrant academic environment. Teaching and learning at KFASC are student-centric, outcome-oriented, and technologically enriched.

Academic and Skill Enrichment Initiatives

Academic and Skill Enrichment Initiatives

KFASC promotes a **holistic educational experience** that extends beyond classrooms through:

- ✦ **Skill Orientation Programs** aimed at improving employability and industry relevance.
- ✦ **Mandatory Internships** for all final-year students to gain real-world exposure.
- ✦ A fully functional **Digital Resource Centre** with access to **INFLIBNET, NDL, DELNET** and other national knowledge networks.
- ✦ A well-equipped **automated library, modern science laboratories, and advanced computer labs.**

The curriculum is enriched with **value-added courses, certificate programs, and experiential learning opportunities** in line with NEP 2020 directives.

Innovation and Entrepreneurial Ecosystem

KFASC has established the INNOHUB—an Innovation and Entrepreneurship Development Cell in keeping with our mission to nurture innovation. This hub acts as an incubation platform where students can ideate, innovate, and initiate start-ups.

Hands-on initiatives like **Mushroom Cultivation Projects** provide experiential learning that bridges academics and sustainable community practices.

Green Campus and Sustainable Practices

KFASC takes pride in being an environmentally responsible institution. Green campus initiatives include:

- ✦ A **70 KW on-grid and 10 KW off-grid solar energy system** reducing carbon dependency.
- ✦ **Rainwater harvesting structures** support water sustainability.
- ✦ **Waste management systems**, including solid waste segregation.
- ✦ **Hygiene audits, energy audits, and eco audits** as part of our commitment to sustainability.

These efforts reflect the institution's pledge toward ecological consciousness and responsible citizenship.

Student-Centric Facilities and Ecosystem

The college provides a nurturing environment that supports the all-around development of students:

- ✦ **Wellness Retreat and Fitness Centre** promoting physical and mental well-being.
- ✦ **Student Retreat, Staff Retreat, and Perk Retreat**—dedicated spaces for informal learning and relaxation.
- ✦ **Transportation facilities for girl students**, ensuring safety and accessibility.
- ✦ A **college canteen** that offers hygienic food at affordable rates.
- ✦ **Active clubs, forums, and student chapters** to encourage participation in **sports, arts, community service, and outreach programs** through the exclusive body **PACE** (Programme for Active Community Engagement).

Vision for the Future

KFASC continues to progress with a clear roadmap for academic expansion, infrastructure modernisation, and community impact. Upcoming priorities include:

- ✦ Launch of **new-age UG/PG programs** in emerging fields.
- ✦ Enhancement of **faculty development and evaluation procedures**.
- ✦ Expansion of **digital platforms** for blended and flipped learning.
- ✦ Increased focus on **research, innovation, and social impact**.

As a young, dynamic, and forward-thinking institution, **Kottakkal Farook Arts and Science College** is steadily evolving into a **centre of excellence** committed to **quality education, sustainable development, innovation, and social responsibility**. Our mission is to nurture future-ready graduates who are globally competent and locally responsible.

Vision

Our vision is to empower and uplift underprivileged communities through education, enabling them to become active contributors to the nation's growth.

Mission

- Provide exceptional educational infrastructure and academic environment.
- Promote higher learning and strong moral values.
- Encourage personal and professional growth.
- Offer diverse opportunities through curricular and co-curricular activities.
- Emphasise excellence and quality teaching with a modern outlook.
- Enrich lives and positively impact society through education.

FOUR YEAR UG PROGRAMS

Starting in the 2024-25 academic year, Kottakkal Farook Arts & Science College, in line with the University of Calicut, has launched four-year undergraduate programs under NEP 2020. This initiative aims to enhance academic flexibility and curriculum enrichment. Students can choose from various minor courses in addition to their major discipline, offering a more comprehensive educational experience.

FYUGP Structure

Course Structure

Students will have three options to complete their degree:

1. 3-year UG Degree: Students can exit after three years with a regular degree.
2. 4-year UG Degree (Honours): Students who pass all courses can continue into the fourth year. Upon completing the Honours degree, they can pursue a one-year PG program.
3. 4-year UG Degree (Honours with Research): Students who secure 75% or above in their three year degree can engage in research under a qualified guide and become eligible for direct admission to a PhD program.

ACADEMIC PATHWAYS

Students can choose from various academic pathways based on the credits acquired in major and minor courses:

MINOR PATHWAYS

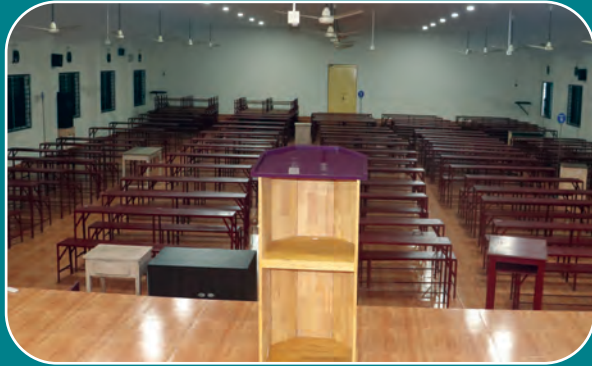

Kottakkal Farook College offers eight undergraduate programs under the FYUGP, each featuring a major discipline along with two minor groups. There are four minor pathways: Marketing, Quantitative Economics, Hospitality Business Administration, and Statistics. To achieve a minor pathway, students have to complete six courses within that pathway. Completing three courses from a minor group qualifies students for a half minor or a minor group.
